Firepit Thunder

Fabric

Outdoor velvet in thunder grey

Imagine sitting outside on a chilly evening, surrounded by soft and luxurious velvet cushions, enjoying the warmth of a firepit. Introducing Firepit, the new range of outdoor velvets that are both durable and sustainable. Made from recycled PET, these velvets are not only eco-friendly but also water repellent and resistant to mould and mildew. With 10 beautiful colours to choose from, you can create the perfect outdoor setting.

But that's not all! Firepit can also be used indoors if treated to UK Cig & Match standard, making it a versatile addition to your home. Whether you prefer readymade cushions or want to use it for outdoor upholstery, Firepit is available by the metre. Just remember to store your cushions in a dry place when it's raining to keep them in top condition.
