Delta Lava Outdoor

Outdoor Cushion

The organic herringbone **Delta Lava** print of this cushion takes inspiration from the undulating surface and intricate patterns of river deltas across the world. In zingy orange the slim free hand lines zig zag across the fabric creating subtle areas of light and shade. Finished off with washable velvet piping in contrasting hot pink, this cushion has a clean and contemporary feel to turn your outdoor space into a cosy and comfortable living area.

This cushion is part of our collection 'The Great Outdoors', it has a shower resistant finish which is also anti-mould, anti-mildew and anti-microbial, and has been filled with a hollow fibre pad. Each fabric has been printed using EcoFast digital pigment printing methods, which use 50% less water than traditional print methods. We do recommend however, that these scatter cushions are looked after carefully and are best used in dry weather. As with most outdoor textiles, they prefer to be stored inside when they are not being used, or during periods of wet, cold or damp weather.
