Rug

Playful indoor/outdoor rug designed by Kit Kemp & Annie Selke

All bases are covered with this playful, witty workhorse of a rug. Find ultimate satisfaction with a medley of fencepost stripes in vibrant and warm yellow, red and orange, woven in resilient, recycled P.E.T. performance threads (constructed from recycled plastic bottles). This durable and fade-resistant rug feels as soft as cotton but will stand up to whatever everyday life brings its way. This design is also suitable for outdoor use although they should be stored indoors when not in use and not left out in wet or damp weather to preserve their colour and condition.
