Madison

Swivel Chair, Huntsman Ivory

Modern swivel chair in white boucle fabric

The moment a chair becomes a sculpture but with a full 360 degree swivel. Madison will create contrasting lines in a room through its overlaid arm piece, the pouf-style seat cushion and clean aperture between them. Upholstered in our **Huntsman Ivory** which gives a soft and highly textured finish to add a rustic yet luxurious feel, with piping in our **Houdini Milk**. Talk about cocktail chic!
