

ANDREW MARTIN

Regal Andean

Armchair

Unique armchair in traditional Andean fabric

Each of these cosy chairs is completely unique, upholstered in beautiful Andean fabric and perfect for injecting some colour and joy into your interiors. Originating in Peru and Guatemala, these rustic handmade fabrics are made with sheep's wool and natural dyes from the mountains, displaying rich iconography of the Andean culture. Each piece is completely unique and in a range of colours from hot pink to soft sage green.

The images displayed are representative examples only. When you have placed your order, our Design Support Team will contact you via email with images of each Regal we have available so you can choose your very own individual chair.
