Curved dining chair in ecru boucle

Chic and poised at the forefront of interior fashion; Knox has been modelled with a sophisticated silhouette. Upholstered in a luxurious boucle fabric, the curved back provides support and comfort ideal in character of a dining chair. Finished in ecru, Knox can add warmth to a neutral design scheme, or lend itself perfectly to a more colourful pallet. This chair is suitable both for an elegant and modern dining room, or even as a chic statement at a dressing table or desk.
