Lagoon

Sofa

4-seater sofa in neutral linen

Designed with relaxation in mind, this sofa is fixated on breathability and comfort, whilst maintaining a smart look. Lagoon's high, supportive frame contains a plethora of plush scatter and bolster cushions, cocooning you in comfort. Finished in a soft neutral linen, this sofa finds itself versatile for many occasions, with a chameleon-like ability to adapt to the required environment. Lagoon is delivered in 2 sections for easier access delivery, that are then attached together, with loose covers that are then fitted to the underside of the sofa to give an appearance of a fixed cover design.
